2024 PRECOMMENCEMENT

SCHOOL OF MEDICINE

Friday, May 17
Chaifetz Arena
St. Louis, Missouri

THE HIPPOCRATIC OATH

NOW, BEING ADMITTED TO THE PROFESSION OF MEDICINE AND DEDICATING MY LIFE TO SERVICE, UPON MY HONOR AND BEFORE GOD, I FREELY MAKE THESE PROMISES:

I will carry out that regimen which, according to my power and discernment, shall be for the benefit of my patients; I will keep them from harm and wrong. To none will I give a deadly drug, even if solicited, nor offer counsel to such an end. I will maintain the utmost respect for all human life.

I will respect and show gratitude to my deserving teachers and, in as far as reasonably I can, shall teach the science and art of medicine by precept, lecture and other modes of instruction to those who are worthy.

My own life and my professional practice I will keep guiltless and right. Even under threat I will not use my knowledge contrary to moral law.

I will keep silence regarding that which, within or without my practice, I shall see or hear in the lives of others which should not be made public, holding such things unsuitable to be spoken.

When skill or knowledge greater than mine will benefit my patient, I will seek assistance or advice; nor will I refuse my aid or my counsel to other physicians.

I will not permit considerations of race, religion, nationality, party politics, social standing or financial circumstances to interfere with my attending my patient.

I will maintain the honor and noble traditions of the medical profession and forward its highest ideals.

As long as I shall keep these promises inviolate, may I continue the practice of my profession and be respected for all time. Should I violate them may the reverse be my lot.

ABOUT SAINT LOUIS UNIVERSITY

Saint Louis University is one of the oldest and most prestigious Catholic universities in the United States. Founded in 1818, the University is recognized nationally for world-class academics, life-changing research and a strong commitment to faith and service.

Guided by its enduring Jesuit mission, Saint Louis University offers students a highly rigorous and deeply transformative education that empowers them to become bold, confident leaders.

In 2023, Saint Louis University educated more students than ever before and experienced unprecedented international enrollment: 15,204 students, from all 50 states and 96 countries. SLU's campus in Madrid, Spain, enrolled 1,104 students last fall.

A dedication to values-based education and social justice has earned Saint Louis University widespread acclaim and bolstered its status as a character-building college. Eighty percent of SLU students volunteer each year, nearly triple the national average among college students.

SLU is also a catalyst for urban renewal in the heart of a vibrant city. More than $1.2 billion in housing, retail and business development is underway in Midtown St. Louis, and the University is in the center of the neighborhood's growth.

Inspired by its pioneering history while focused on its promising future, Saint Louis University continues to move forward with an unwavering commitment to serve a higher purpose while always seeking the greater good.
